Summer University Prep Program

Alexander Academy is proud to present our Summer University Prep Program! (Ages 14 - 17)

Alexander Academy is a private secondary school centrally located in downtown Vancouver. Students are immersed in a culturally rich and academically challenging environment; they receive instruction and guidance from BC certified faculty who have obtained a degree in their subject specialty. Alexander Academy's curriculum is BC Ministry of Education certified and is further enriched by its modern and purpose built facilities; its state of the art science and computer lab and its ideal location in the centre of one of the world's most beautiful and diverse cities.
