

## **WELCOME**

Alexander Academy is a private secondary school approved to offer the BC Ministry of Education curriculum in a culturally rich and academically challenging environment for students in Grades 9-12.

We recognize that each student has their own academic goals, learning style, passion, and talent. Our teachers are committed to ensuring that students have the opportunity to challenge themselves academically, enabling them to reach their personal level of academic excellence.

### WHAT MAKES US SPECIAL

### **OUR CAMPUS**

#### LOCATED IN DOWNTOWN VANCOUVER

We are fortunate to embrace downtown Vancouver as our campus. Our campus is surrounded by snow-capped mountains, ocean, and breathtaking views. We are an intimate learning community embracing new ways of thinking that attract extraordinary students and teachers.

### **PROGRAMS**

# BC CERTIFICATE OF GRADUATION

Alexander Academy's BC Graduation Program is certified by the province of British Columbia. The B.C. Certificate of Graduation also known as the "British Columbia Dogwood Diploma" is awarded to students who successfully complete the British Columbia provincial graduating requirements. To graduate, students require at least 80 credits total.

# ENGLISH LANGUAGE DEVELOPMENT PROGRAM

To support our diverse community, Alexander Academy provides a comprehensive English Language Development Program (ELDP).

The ELDP program allows our international students to advance their English language skills within our preparatory program offerings. Our includive and comprehensive language development programs support the acquisition of English for students whose first language is not english.

# UNIVERSITY TRANSFER PROGRAM

Our University Transfer Program is designed to provide grade 11 and 12 students who require less than 10 credits to graduate with the opportunities to finish high school for courses while taking university transfer courses concurrently at our sister school, Alexander College.

The dual credit aspect of this program is for highly motivated students with a strong academic standing who would like to begin their university transfer studies while in high school.

Also, the BC ministry of education allows students to take courses at recognized post-secondary institutions and count these courses as four-credit non-subject-specific grade 12 courses toward completion of the requirements for high school graduation while, at the same time, receiving full university transfer credit.

## AMAZING ALEXANDRIANS

The Next Game Changers

"If you are looking to have a high school experience that both motivates and excites you, while giving you infinite resources to get where you want to go, look no further than Alexander Academy."

"By the end of grade 10, I was confident enough to start my own debate club at school. Alexander Academy opened a lot of different opportunities for me and offered me great experiences."

"They cared for us as much as our own parents. I am currently studying Commerce at the University of Toronto Mississauga with a full scholarship."
