

Dear Alexander Academy Families,

Cambridge Uniforms is the proud supplier of the Alexander Academy uniform. If this is your first year with Alexander Academy and Cambridge Uniforms, welcome. If you are a returning family we look forward to serving you again.

With social distancing measures in mind we are able to assist more families and provide the best service possible through virtual Zoom fittings, online orders, shipping to home/ or picked up using our curbside pick-up service. Our storefront remains closed for personal shopping.

YOUR SCHOOL IS SERVICED FROM:

#135-1305 Welch Street, North Vancouver, BC, V7P 1B3

Orders are taking longer given the circumstances. We ask you to please ensure your uniforms are ordered by July 31.

By doing so we can guarantee:

- Zoom fitting appointments are available to assist you with your sizing if required.
- Processing time for online orders is 7-10 business days.
- Adequate time to review uniforms and accomplish returns/exchanges, if required.

If you are unsure of your sizing try using our smart size charts: **Calculate My Size**

1. Click the individual garment's size chart.
2. Enter in your child's body measurements.
3. The guide will show what size is recommended.
4. We suggest to choose 1 size larger than the recommended size to allow room for growth.

Although we are in an exceptional year our primary goal to provide the best possible service to the Alexander Academy community remains consistent. We truly appreciate your assistance to review your uniforms prior to August.

Sincerely,
Cambridge Uniforms
