Vancouver

We are centrally located in the heart of downtown Vancouver - a safe, temperate, and ethnically diverse city with easy access to everything you need. At Alexander Academy, the downtown area is your campus and the ideal place for you to study and learn.

Vancouver has recently been named the third most livable city in the world.

40% of Vancouver's total population is made up of immigrants. The city has also the highest proportion of Asians per capita of any North American city.

Vancouver has a moderate, oceanic climate. Protected by the mountains and warmed by the Pacific ocean currents, Vancouver is one of the warmest cities in Canada.

Welcome to Alexander Academy

Alexander Academy is a private secondary school approved to offer the BC Ministry of Education curriculum in a culturally rich and academically challenging environment for students in Grades 8 – 12.

Why Choose Alexander Academy?

Learning made relevant through out-of-classroom experiences

Leadership, Global Citizenship, and Service-learning

Small class sizes for personalized learning tailored for each student

BC Certified, highly qualified, subject specialist teachers

Our Approach

Personalized Learning

Alexander Academy is dedicated to providing educational programs that inspire students to follow independent paths to success.

We recognize that each student has their own academic goals, learning style, passion, and talent. Our teachers are committed to ensuring that students have the opportunity to challenge themselves academically, enabling them to reach their personal level of academic excellence.

Our smaller class sizes promote personalized attention, high academic achievement, and an environment support the well-being of each student.

Out-of-Classroom Learning

Alexander Academy recognizes that students thrive in an environment that has relevance and context to their learning.

Through authentic, out-of-classroom learning experiences, students are inspired and obtain in-depth knowledge of the curricular subjects they are studying through active and engaged learning, inquiry, real-world exploration, and challenges.

The Alexander Academy Difference

BC Dogwood Graduation Program

Students at the Academy will complete the BC Dogwood Graduation Program.

The BC Certificate of Graduation or “Dogwood Diploma” is awarded to students who successfully complete the provincial graduation requirements. In order to graduate, students must pass specific courses.

Overall, each student must acquire 80 credits from a combination of required courses, elective courses, and the Graduation Transitions program.

University Transfer Program (Dual Credits)

At Alexander Academy, our students are at the center of the learning process and become members of our extended educational community through our unique University Transfer Program.

Senior students with strong academic standing may expand their educational portfolio by enrolling at Alexander College as concurrent studies students, allowing them to complete university transfer courses and receive dual credits while still attending Alexander Academy.

English Language Development Program

To support our diverse community, Alexander Academy provides a comprehensive English Language Development Program (ELDP).

The ELD program allows our international students to advance their English language skills within our preparatory program offerings.

Our inclusive and comprehensive language development programs support the acquisition of English for students whose first language is not English.

Leadership and Community Service

Our Leadership and Service Program allows students to recognize they have a responsibility to help others. We aim to foster a love of service in each student.

By graduation, students will have developed and implemented individual leadership initiatives in the school and community.

School Clubs and Activities

Students are encouraged to participate in co-curricular clubs to try new activities and learn new skills in a fun and engaging way.

Alexander Academy offers a variety of co-curricular activities during lunch hours, and after school.

Students are encouraged to participate in activities and clubs and to initiate suggestions that they would like to see at the Academy.

Testimonials

"They cared for us as much as our own parents. I am currently studying Commerce at the University of Toronto Mississauga with a full scholarship."

"Our child has benefitted from so many thoughtful and caring teachers at Alexander Academy, and has learned so much academically, but also socially and ethically."
